Response to Amendment

1. This Office action is responsive to the amendment dated November 12, 2004. Claims 1, 5, 6, and 8 were amended. Claims 1-10 are pending.
2. The rejection of claims 5, 6, 9, and 10 under 35 USC 112, second paragraph, is withdrawn due to the amendment.
3. The rejection of claims 8-10 under 35 USC 103(a) as being unpatentable over Hatwar et al. (US 6,692,846) is withdrawn due to the amendment.

Specification

4. Applicant is requested to update by amendment the status of all U.S. applications listed in the specification.

Claim Rejections - 35 USC § 112

5. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

6. Claim 6 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 6 now recites "the stabilizer is provided in such electron-transporting layer or in the light emitting layer or in the hole-transporting layer or both". Since three possible layers are recited, the meaning of the word "both" is unclear. Clarification and correction are required.

Response to Arguments

7. Applicant's arguments with respect to claims 1-10 have been considered but are moot in view of the new ground(s) of rejection.

Allowable Subject Matter

8. Claims 1-5 and 7-10 are allowed for the reasons given in the previous Office action.

Conclusion

9. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a).

Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
